#### ALBANY

The ladies' circle, which was to meet Friday, April 6, on account of the big snow storm was postponed two weeks to Friday, April 20th.

There is about 2 feet of snow on the ground in the woods on a level on the North cant. Our mail carrier came from Bethel Saturday, April 7, on runners. We are in hopes to see him on wheels by July 4th. 38 years ago the 10th day of April D. A. Cummings was plowing and sowing peas on the Pine Hill farm. It does not look much like it this spring.

Abel Andrews had the misfortune to stick a nail in his foot, which made him quite lame, but is better now.

Guy Johnson bought a horse of Harry McNalley.

The selectmen were busy last week, taking the valuation.

The spool mill which was burned at Lynchville, two weeks ago, will be a great loss to the farmers of this town, who owned birch in the south and southwest part of the town, as well as to the towns of Waterford and Stoneham. We hear they are going to locate in some other location where birch is more plentiful.

This spool company has been doing a good business here for over 40 years. Everybody will hate to see them leave. This was the third time the spool mill has been burned since they first built.

Dick Judkins, who has been to work for Charles Becker for two years or more, has enlisted for the war. We understand that George Heniston's two sons Arthur and Leslie, of South Paris, formerly of Albany, are both in the navy.

Harry Rust, W. R. C. No. 45

Harry Rust, W. R. C. No. 45 met in regular session, Thursday evening, April 5, several members of the Post being in attendance. One candidate was taken into membership. At the request of the Post, the Corps will have charge of the Memorial Day exercises, and a special committee comprised of Mrs. Hattie O. Brown, Mrs. Edith L. Bartlett and Mrs. Edith Edwards was appointed to make the necessary arrangements. Among the visitors present were Mrs. Georgia Cash from T. A. Roberts Corps, Oxford, Mrs. Nellie Dwinall of South Paris, a member of Sampson Corps, Rochester, N. H., and Mildred Morgan, a member of Brown Corps, Bethel.

The entertainment committee Mrs. Alta J. Sheen, chairman, presented an interesting program consisting of readings by Mrs. Edith Bartlett, Mrs. Clara M. Elliott; piano solo, Mrs. Nellie Dwinall; singing of patriotic songs by the Corps; and the reading of respect to the flag, and the work of the Patriotic instructor were read.

At the close of the meeting a social hour was enjoyed, and refreshments of ice cream, cake, and fancy cookies were served.

Annual Corporation Meeting

The annual Norway Village Corporation meeting was held at the Opera House Tuesday evening, April 10. Henry B. Foster was chosen moderator and the following list of officers for the ensuing year were chosen:

Assessor—Stuart W. Goodwin.

Assessors—Geo. F. Hathaway, Raymond H. Eastman, Frank J. Witham.

Treasurer—E. X. Swain.

Collector—Chas. H. Pike.

Engineers—J. P. Gullman, chief, T. P. Richardson, 1st ass't, F. H. Hurd, 2nd ass't, F. A. Hall, S. G. Hatch.

Fire Police—Guy Estes, Geo. L. Hancock, H. E. Mixer, E. C. Winslow.

It was voted to have all poll taxes assessed in 1917 made payable May 1st and all other taxes than poll taxes assessed for 1917 were made due and payable Nov. 1 and all taxes not paid Jan. 1, 1918, 1 per cent interest will be charged from that date.

The only article of which the count was doubted was that in relation to the police service. A count of hands was necessary. On the doubting side no hands were shown and \$600 was voted for the police service. For usual corporation expenses \$4,800 was voted. It was also voted to raise \$3,200 for the retirement of several bonds maturing in 1917 and \$850 for the interest on bonds.

It was also voted to abate the taxes assessed against the heirs of William Pratt for the year 1917, also against Albert P. Canwell for the year 1917. It was left with the corporation to see if a light should be installed at the head of Bolster street. The corporation were in favor of purchasing twelve galvanneal iron cans to be used for waste paper refuse etc. on Main street, and also of purchasing bonds required of the Treasurer and Collector. One hundred and sixty-two dollars was suggested to install a fire alarm box at the corner of Tucker and Alpine streets, but was finally passed over as was also the question of extending the sewer to Elm street to accommodate the property of C. A. Richardson. C. L. DeCosta and others also to see what sum of money the corporation would grant and raise for that purpose and in what way it shall be raised. The corporation meeting was well attended and the regular routine of business disposed of in about a half hour.

Annual Universalist Supper and Entertainment

Tuesday at 6:45 o'clock, April 17, the gentlemen of the Universalist Parish will give their annual supper and entertainment in Concert Hall. Great preparations are being made to have this function the church social event of the season.

The menu will be cooked as only these suppers are cooked, which means expert home cooking for which the members of this parish are famous.

The supper items are as follows: Steamed Haddock, mashed potatoes, gravy, baked beans, homemade pressed meat à la Frank Beck, hot rolls, pickles, assorted cake, custard, lemon, and cream pies, coffee, tea and Pike's Hill spring water.

The entertainment will be a seven reel moving picture drama of intense interest. It will be presented by H. N. Bragdon and is entitled "The Dust of Egypt."

Wonderfully scenic and picturesque it presents a beautiful love story linking the Egyptian past and the 20th century.

After the War

Dennis Pike shows as a copy of the Savannah Republican printed at Savannah, Ga. Monday morning, June 5, 1865.

It was sent north by Mr. Pike's father, Chas. Pike, who was a soldier in the Civil War and was then stationed at Savannah.

The paper was printed on dark wrapping paper as that was probably a newspaper as they could get in the south at that time. The city was then under military government and they were trying to get affairs into shape for the war.

In it we read: "Amnesty, the terms of pardon for the rebels" and "How a pardon may be obtained". There were a number of proclamations by the president of the United States. The work of reconstruction had begun. The surrender of Gen. Kirby Smith's command had just been announced. His department embraced all of the rebel confederacy beyond the Mississippi. Brevet Maj. Gen. C. Grover was the officer in command and in this paper were printed several of his general orders to the people of the city. One was that heretofore no peace would be necessary to enable civilians to enter, leave or travel within the limits of this district. Another order was that all restrictions heretofore placed upon the bringing in of wood from outside the picket lines surrounding the city were removed. Those availing themselves of the privilege so extended will be held strictly responsible. That they do not cut wood upon lines not belonging to them without proper authority, neither will they be permitted to disturb fences or other improvements.

The order forbidding the passing out or in through the military lines of letters, newspapers or written communications was revoked.

A grand ball at Folks Garden was advertised to celebrate Pantoicost.

The paper was well filled with advertising and looked prosperous although it was only a four page six column paper.

Mrs. Harry Mann of West Paris will work during the spring and summer for Mrs. Marritt Welch.

Mrs. Esther M. Cushman is stopping with her sister, Mrs. Fannie Frost, 38 Paris street.

## NORWAY MUNICIPAL COURT.

Wm. F. Jones, Judge.

John Swan of Bryant's Pond was brought before the court Monday by Deputy sheriff Benjamin R. Billings, charged with intoxication. Respondent was found guilty and a sentence of 30 days in the County jail imposed.

Mrs. Roswell Frost

There are lives who have so overfilled their places that one instantly recognizes they can never be refilled. Such a life has just gone into the "world of light" leaving a song of irreparable loss as her record of true worth.

In the sudden death of Mrs. Roswell Frost, which to her was a gift from Divine tenderness, we are made fully aware that a rare soul has left this earth.

Mrs. Frost belonged to the almost extinct class in New England women, who met conditions and surmounted obstacles with a courage, endurance, sweetness and even gaiety that make us feel abashed as we contrast our lives with hers.

Forty-eight years ago as a bride of eighteen she followed the man of her choice into a life which was a farmer's home of forty-eight years ago. The years have brought the modern life to them, as to others, but these were strenuous years for the brave little wife and mother, thirteen life and death battles were fought for her privilege of being a loving wife.

Eleven of these children she has reared and seen placed in life. Grandchildren entrusted to her care never knew the lack of home and love. Friends found at this homestead a hospitable, and always a loving welcome.

Not content with the large family life, which would have closed the heart of many a woman, it was under her roof that forty teachers were sheltered as only such a woman can protect the lonely.

Her children say, "The half can never be told of what mother was and what she did."

She leaves to mourn their loss a husband and 10 children, Mrs. Gertrude E. Frost of Bethel, Mrs. Eugene E. Frost of Farmington, Mrs. Frank DeCosta of Norway, Walter Frost of Gardiner, Roy of Norway, Guy of Auburn, Claude of New France, Mrs. Geo. Devine of Norway, Helen Frost of Bethel and Theodore Frost of Norway, also 10 grandchildren and one great-grandchild.

Change in Clothing Business

Geo. W. Devine has sold his interest in the F. H. Noyes Co's stores of Norway and South Paris to his partners, F. H. Noyes and L. P. Pike, who will continue with the business.

Ruby Olive Abbott

Ruby Olive Abbott, daughter of Mr. and Mrs. Stephen Abbott, of North Norway died Friday morning, April 6, of pneumonia, following an attack of the grip. She was born September 12, 1916. She was six weeks ago, the grandfather, George G. Abbott went away, and there has been sickness in the family for a long time.

Baptist Church Notes.

The Sunday school gave a very pleasing Easter concert last Sunday under the leadership of the superintendent, Miss Mercy Miller. The choir director, Mrs. Virgie Wilson. The service following was attended by an excellent congregation who followed with wrapt attention to the pastor's points on "When Liberty is Disregarded, 2nd, when purity is disregarded, 3rd, when righteousness is disregarded." The pastor made out a clear case for a war of righteousness, for humanity and for self defence, for our country. The service of next Sunday will be a special Patriotic Service with appropriate music and decorations. The sermon will be of interest to all who are thoughtfully following the course of this greatest war of the world's history. The topic will be "The effect of the War on Religion" and the illustrations will be from the present conflict. All attending are requested to wear the flag. The Sunday school boys and girls will be presented with their colors by the school and will salute the flag.

## THIS TIRED, RUN DOWN LEWISTON WOMAN HASN'T EVEN BACKACHE NOW DAYS

"I suffered from a run down, tired feeling," said Addie Tarbox of 3 Franklin Terrace, Lewiston, as she told a story that will interest hundreds of women here.

"I had pains in my back, limbs and lumbar region," explained this Lewiston woman. "I had no real appetite and always felt drowsy and sleepy. It seemed impossible for me to get up any real ambition because of my condition."

"I had heard so many people who had felt like I did say that Tanlac had done them good, that I decided to try this new medicine."

"Since I have taken this Tanlac I feel so improved in every way. I do not even have the old backaches now. Tanlac has done me such good that when-

ever I am feeling ill I will take it again."

"This all run down feeling starts nine times out of ten, with stomach trouble," said the Tanlac Man, "Tanlac is designed to act naturally to restore real digestion and assimilation and so build strength through blood and tissue."

Tanlac now is being specially introduced in Norway at F. P. Stone's drug store. There is a Tanlac agent in every Maine town. Nearby Tanlac agents are South Paris, C. H. Howard; Harrison, Eugene Tenney; Bridgton, F. E. Stevens; Waterford, L. R. Rounds; East Waterford, R. E. Pinkham; West Paris, S. T.

## WHY A PIANO?

We are HAPPIEST when our lives are FULLY ROUNDED OUT by the proper experiences, and if we don't include ART in those experiences, we have missed the combination. MUSIC is just as much needed in our home—in ANY home—as different foods are at a meal. We can't get along on bread alone, or meat alone, or anything else by itself. And we can't say that we have lived up to our full measure without music. THE PIANO is an essential in your home—because its results is an important part of Happiness. And to be Happy is to have secured the best that life holds.

## PREPAREDNESS

Whatever the outcome of the present conflict, it is certain that foodstuffs of all kinds will be in demand and will command a high price. Now is the time to make plans for a larger acreage of all field crops. It is also certain that farm help is to be scarce and very expensive. These things are therefore necessary and vital for the season of 1917.
